Astra Imprints 2025 Charity Support

As the colder months bring a surge in seasonal illnesses and increased A&E admissions, the winter period continues to stretch NHS services and staff to their limits.

That is why, for every Christmas card you purchase, we'll donate 10p to NHS Charities Together, the national charity caring for the NHS. Your support will help ease the immense pressure on our NHS and make a meaningful difference when it's needed most.

Working with a network of over 220 local and specialist charities across the UK, NHS Charities Together are breaking down barriers that make it difficult for people to access services and live healthy lifestyles, they're improving experiences for both patients and staff across the NHS.

Your donation will help the NHS thrive, ensuring absolutely everyone can get the healthcare they deserve.

10p from the sale of every Christmas Card purchased between September 1st and December 31st 2025 will be donated to NHS Charities Together (Registered charity no. 1186569)
